

# THE DELTAWORKS

---

# EXCURSION 'DUTCH WATER'

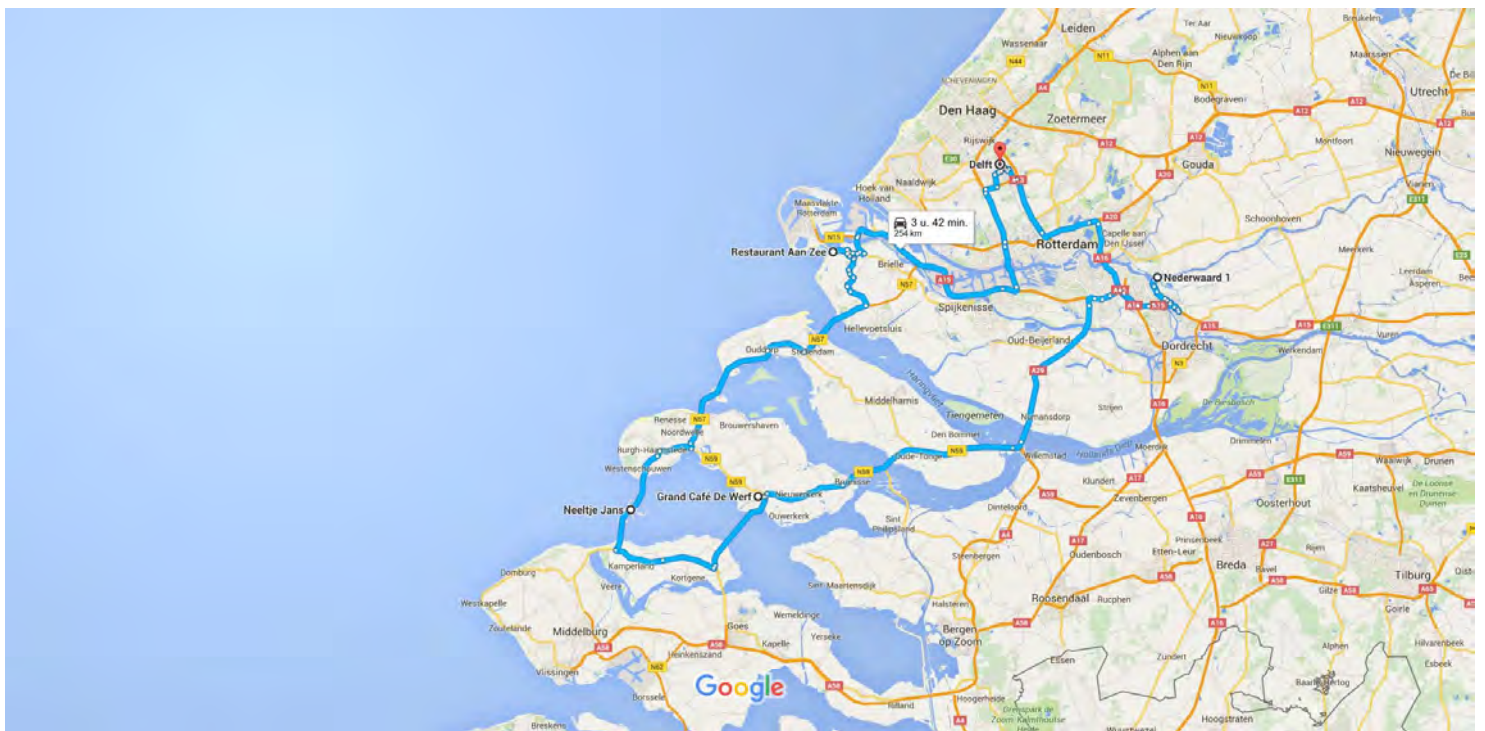

---

**Guide: Prof. Dr. Ir. Paul Meurs**

In this country that mostly lies below sea level, the Dutch are known for their waterworks. Professor of Heritage & Cultural Value Paul Meurs (TU Delft) will guide a trip that explores the Dutch Delta works from the windmills of Kinderdijk to the Oosterscheldekering (Eastern Scheldt Storm Surge Barrier).
